

Upsilon Pi Epsilon
Presents

Technology Showcase

Wednesday, November 7th 7:00-8:30pm
@ Kaprielian Hall, Room 146

→ .NET Integration with Facebook

Learn how to integrate your .NET application with the Facebook API using the Facebook Developer Toolkit.

→ Windows Presentation Foundation

Learn about Microsoft's new UI framework, Windows Presentation Foundation (WPF). Also, see how Expression Blend can be used to give your application some style.

→ WPF in your Sidebar Gadget

Learn how to create stunning gadgets for the Windows Vista Sidebar by leveraging WPF.

→ PLUS...

FREE food provided and lots of FREE Avanade swag! Additionally, a FREE copy of Halo 3 to be given away!

Additional Avanade Information:

On campus interviews are on November 13th
